In order to promote a multicultural environment, **wildcards** will be granted to the best participant from each of the countries that failed to produce finalists.

GLOBAL HIPPO ASSOCIATION keep the right to increase the number of finalists if the number of applicants exceeds 40,000, all in accordance with the Olympiad regulations.

The finalists will have to confirm their participation in the final round by **6th September 2021**. In case a candidate is unable to travel to the finals, the next one on the ranking list will be invited.
